prosperous for all of us mentally, physically, emotionally, and spiritually.

The bulletin is back and in the hands of Ben Meredith. Please use this as a medium of communication. Ben's contact information is in this bulletin and Ben will have a table at the Petite for subscription renewal and new comers as well. Please Support the Grand Bulletin. The Petite Promenade is almost upon us. Please support the Grand, V954 has gone out of the way to give us a beautiful location right on the Atlantic Ocean for our business as well as pleasure. Please get your reservations in so that Johnny Walker can breathe a little easier and bargain for better prices. The Emerald Coast Wreck is our next scheduled event, so make your reservations early. First time in Crestview which will add a new flavor to this Regional Wreck?

Communication!!!! Each correspondant of each Voiture locale will receive a FREE copy of the Grand Bulletin. Take it to the Prom and read it. Make copies for any Voyageur that asks and make sure that any pertinent officers get any information that will help them with their duties.

Madame President Paula Lowery and my homecoming, as well as the Grand Wreck will be March 13 and 14 (early bird 12th) at American Legion Post 129 Jacksonville Beach Fl. I am asking each region to bring at least one (1) PG to the Grand Wreck!!!! Please Help PG's Needed if we are to keep our beloved La Societe alive.

The Days Inn , 1401 Atlantic Blvd. Neptune Beach FL. 32266 904-249-2777 will have rooms for \$59.99 and the Comfort Inn, 2401 Mayport Rd. Atlantic Beach 904-249-0313 for \$60.00 both include a continental breakfast. There is a Sheraton in Ponte Vedra that may give us a break (distance?) and the Marriott former Holiday Inn Oceanfront wants \$139.00. More to follow. Please work on Membership so we can impress Ted Lang, Chef de Chemin de Fer 2008-2009 as he is our guest at the Petite Promenade On January 8 thru 11, 2009. Speaking of which, Johnny Walker said that reservations are very slow and the Hotel has been bugging him, so if you haven't made your reservations please do so. The schedule is also in this issue. See you at a wreck or somewhere!

Grand Correspondant

I hope all had an enjoyable Christmas and a Happy New Year and its time to get back to work. Due to the pending circumstances in our Grand its time for our organization to come together for the good of all including our Grand Chef De Gare and all future Grand Chefs. It is more important that we attack the membership challenge that the National resolution gave all of us. Some of our Voitures are having major problems with their membership and we need to help with positive solutions. At the same time the economy is also challenging our members and so this is not a time to tear our Grand Organization apart but to put our heads together for the good of all. Hope to see you all of you at Petite.

National Membership Directeur

Way to go Florida. Earliest we've reached 70% membership in over 5 years - that's as far as I can go back. Keep up the great work and we can "Double-up". It's amazing what wonders a renewal notice with our Program Expenditures mailed to your unpaid Voyageurs can accomplish with a little personal follow-up. Both forms are available for downloading on Nationale's web site. Hope your Christmas was joyous and that the New Year finds you swimming in good cheer.

Grand Chef de Train **MEMBERSHIP MEMBERSHIP**

Hope everyone had a Merry Christmas and a Happy New Year. That said, it is now time to start the new year with renewed effort to bring in the membership for Chef Joe. Please check the membership report. Locate your local and go after the renewals. As of December 16, 2008 we are 75.42%.

I attended the Testimonial Dinner in Honor of Dame Charlotte Fruauff, Saturday, December 6, 2008 held in Ft. Myers. Thank you Grand Chef Joe for the opportunity to represent you.

I wish to thank Pat Jones, Diane Campelli, "Stacky" and all the Dames and Voyageurs who contributed to my stay, as well as, those who made "Surprise Testimonial Dinner" the success that it was. I am sure Dame Charlotte had an evening that will be a crown jewel for many years to come.

VAVS-SVH News - January, 2009 By the time you receive this, Petite Promenade is over. I hope that many of you make it this year. As always it's a great time and a worth- while experience.

SBP PAID UP PROVISION: Retired members who have been paying SBP premiums for at least 30 years (360 months) and have reached at least age 70 on Oct. 1, were to be considered "paid-up" and have no more premiums deducted from their retired pay. NAUS and FRA have received many phone calls and emails from their members who believe they are qualified yet are still having the premiums deducted. According to the Defense Finance and Accounting Service (DFAS) an appeal process is being developed for beneficiaries who believe they qualify for "paid up" status but are still having their SBP premium deducted from their retired pay. DFAS has assured that any beneficiary who is qualified for "paid up" status and had premiums deducted from their retired pay will be provided a full refund. A reason you may not be qualified is that you lost your spouse and your account was placed on hold status until you remarried. The date you remarried is NOT the start date for resumption of SBP premiums. That does not occur until one year after the new marriage. Also any payments you may have made for the Retired Servicemembers Family Protection Program (RSFPP), the program in effect prior to SBP, do not count towards the paid-up provision. There are several other instances that may affect your account. Call DFAS at 1-800-321-1080. Be advised that your wait may be long as the phone system at DFAS has been overwhelmed lately. [Source: NAUS Weekly Update 21 Nov 08]

Mishandled VA Claims: The Department of Veterans Affairs (VA) announced 17 NOV special procedures for processing claims from veterans, family members, and survivors whose applications for financial benefits from VA may

have been mishandled by VA personnel. Veterans and other applicants have one year, or until 17 NOV 09, to file previously submitted documents under these special procedures. Veterans not covered by these special rules who believe relevant material is missing from their files can submit additional documentation at any time. An award of benefits earlier than 14 APR 07, may be established if there is credible corroborating evidence supporting an earlier date of document submission. Veterans and others who are concerned about missing documents and want more information on the special processing procedures may call 1-800-827-1000 for assistance or go to http://www.vba.va.gov/VBA/specialprocedures_qa.asp . They may also send an e-mail inquiry through IRIS@va.gov or visit their local VA regional office. VA representatives will review VA's record systems to verify receipt of applications and supporting evidence and will assist anyone desiring to file a claim under the special processing procedures for missing documents

VA CLINIC OPENINGS UPDATE Veterans will have easier access to health care under a VA plan to open ;new Clinics in Florida - Brandon (2010), Clermont (2010). We need these extra clinics since: ***Old soldiers never die — they just move to Florida.*** It is a durable trend reflected in great numbers after World War II, recently reinforced by the military men and women who served in Afghanistan and Iraq and who are again marching home to the state. Florida's intrinsic amenities and expanded veterans' services are magnets that have boosted the state past Texas for the second-largest veteran population at 1.75 million, according to the latest tally.

Box Car

Again this year we are doing well with pins and crew cards but we can always do better. Two of our Sous Carl Scheel and Ray Ploughe are almost 100% in their areas. At Petite George Guglielmo will be covering for me on the Box Car table. This will be a chance for George to get his feet wet because he will be coming in as Directeur next year and he does a great job at whatever he takes on. So please give him the same cooperation that you have given me the past several years because that is what made us number one in Box Car.

Voiture Activities

Well 2008 is about over and there were so many missed opportunities for a Voiture activity. However there is a brand new year ahead. How about getting together and hosting a football party, or maybe a Valentine party with the Dames. Not far away is St. Patrick's Day and don't forget Cinco de Mayo. I expect to be at Petite Promenade with copies of 2009 reports. I hope in the meantime everyone is keeping track so it will be easier to make out the end of year report. As always contact me below for forms or help.

Directeur of Special Awards

If you are reading this, you had good holidays. Congratulations.

I understand Joe Kohten had his ticker reset or some such process. Good on ya Joe. We Directeurs have to stick together.

Speaking of sticking together, has anyone stuck a stamp on an award nomination and mailed it to me? I know that no Locale Chef has sent me a Voyageur's name who is their Committee Chairman for Special Awards. That means you Chefs are handling that program yourselves. Suits me, as long as we, YOUR GRAND, gets input.

It is easy to win the very first time you submit a candidate. Gary Navarro and Fletcher Williams just did that very thing recently.

I will be happy to provide any needed assistance.

It is important that your nomination forms are filled out correctly. Unless you are SURE it is done correctly, do not wait until the last minute to send anything to me. If I have it in time, I can return it for any necessary corrections.

There is a great deal of personal satisfaction when your nominee is presented his/her award. It is high compensation for the little time and effort it takes to put yourself in that enjoyable position.

Sincerely,

John W. Walker

POW- MIA

To start off I would like to introduce myself to those who may not know me. My name is John Garvey, and have been asked to take over as Grand Director POW-MIA. Those of you who know me know I am dedicated to this program and have worked hard in my locale V-1219 to get the word out about our Scholarship Fund here in the 40/8. I am asking all the locales to help me by getting your reports in by May 20th so I can get them compiled and ready to turn in at Grand.

I received an e mail from National Director Rich Blish that the new pins will be out and hopefully ready to distribute some time the first of January. Maybe we will have them in time for Petite. I have some pins you may not have seen yet. They are the American Flag along side the Florida State Flag with the POW-MIA Shield underneath with the banner over the Flags that states "Bring Them Home", that I had at National in Orlando. I will have them at Petite for you to take back to your Locales, for \$2.00 each. I think it's a pin all of us here in Florida should be Proud to wear. Also I should have some of the Harley (Eagle) pins there for \$2.00 each.

Any way I can help you with fund raisers at your Locales please let me know. My contact information is:
