## *From the Grand Chef*

Well the Grand Chef's Wreck and homecoming for myself and Madame President Paula Lowry, who presented me with a train set on sections of track the engine signifying the Voiture, the coal car tender showing the year and the caboose signifying the Cabane, was a GREAT success. We had over the top food Thanks to Tom Williams and his assistants. Cabane 215 went out of their way to provide snacks to go with the shrimp (local delivered that day) for the "early bird" on Thursday, decorated and set up the room for the banquet and even provided the entertainment. Not to be outdone V-215 has given me a Paid up for life membership in our beloved La Societe. I received many other gifts. Thank You to all and I will send a personal note. We wrecked 7 new Voyageurs and with that V-215 reached 100% membership. V-822 in St. Augustine brought 2 PG's and that will get them back in the fold. Frank Lindner has Sanford V-478 back on track. Thanks to V-1352 for bringing a PG to the Grand Chef's Wreck. I was very moved by the turnout and support of all the Voyageurs and Dames. I Will NEVER forget it and I know Jim Knese has recorded the events in photos. Now I must take some admonishment and sincerely apologize to a consument Voyageur, W. R. "Tommy" Thomas. Tommy in all the glitz and emotions of the Wreck and Homecoming I failed to recognize YOU for your loving guidance and coordination of the events of the weekend. In the 24 years that I have been a member of La Societe you have always been a source of information and guidance for me and many others over the years. I

consider you a friend of mine and again apologize for not recognizing your great contributions to the weekend, our local Voiture, the Grand Voiture du Florida and Voiture Nationale.

Things are gearing up for a wreck in Orlando in late April or early May. Report time is almost on us. Please compile your miles and hours so we can get credit for what we do.

Thanks to Pat Beamer for helping Archie and the membership team with some guidance and letters. I am still looking for the photo of Archie at Petite. See you at a wreck or somewhere!

### ***Grand Correspondant***

Just returned from the Grand Chef Homecoming and Wreck where the beer was flowing and the food was plentiful and a good time was had by all who were Irish for one day. Membership has slowed down to a crawl so we need to put on that year end push or your Grand will not be 100% this year. Membership is the responsibility of all so let's keep rollin with Nolan. Hope to see you at the Dixie Prom.

**MEMBERSHIP MEMBERSHIP**

Attending the Grand Chefs' Home Coming and Grand Wreck, I was given three (3) more 100% pins for Voitures 863, 1233 and 1598. Congratulations!!

As of March 23, 2009, Florida is at 88.86 %. That puts the Grand du Florida at 30th out of 55. The Grand needs only 150 renewals to make 100%.

As a Voyageur Militaire, if your Voiture is not at 100% **YOU** should be concerned! Help your Correspondant and Chef by picking up the phone and calling a Voyageur who **YOU** know has not renewed. At this time of year, there are no good reasons for not being at 100%.

As it was once said by an old Sage: "Remember, a membership retained is a membership regained." That's all I'm Saying.

### ***Grand Conducteur***

I recently returned from the Grand Homecoming and Wreck in Jacksonville. I can't say that the wreck went off with any hurdles, but I can say that we got over them and pulled it off. Remember, we always "get'er done". I want to thank the many Voyageurs that helped make this a success. I give special thanks to Grand Chef Passe Pat Beamer, Grand Chef Joe Nolan, and the V-215 Ritual team. I also want to thank the P.G.'s, for without them there wouldn't be a wreck. I hope everyone present had a good time.

Before the Grand Wreck, on March 11th, Voyageurs and Dames of the 40 & 8 visited Camp Boggy Creek in Eustis, Florida. Camp Boggy Creek is one of the fourteen Hole in The Wall camps in the United States that enrich the lives of children who have chronic or life-threatening illnesses by creating camping experiences that are memorable, exciting, fun, empowering, physically safe, and medically sound.

Camp Boggy Creek is just one of the many charities in the Child Welfare program of the 40 & 8.

## ***POW-MIA***

From all reports I've heard the Homecoming for our Grande Chef de Gare and La Grande President was enjoyed in a GRANDE fashion by all those who attended. I am sorry that it was not possible for Donna and me to attend as we have always tried our best to make as many functions as we possibly can.

As we all know it is that time of year to get our reports ready to send to Grande and Nationale. Since this is my first year for doing the reporting, I am hoping everyone at the Locale level has been keeping good and accurate records, so they can be turned in to me by the end of May deadline. It is my understanding, and hope, that the Locale Correspondants should have received by the time they read this, the Petite Communiqué 2009. The reports can be e- mailed or sent snail mail depending on how Tech Savvy your Locale may be. As always any help I can give in getting them filled out and turned in please get in touch. If I don't know the answer I will get it from some one more knowledgeable. I am looking for a better than average percentage of Locales to report than we have had in the past with your help. Pin sales have been very good and I keep running out but hate to order a large volume and not be able to sell them. If you wish to order some for your Locale and pick them up at Grande in Ocala in June please let me know as I will be meeting with our Nationale Directeur Rick Blish at Southland Dixie in Georgia in April.

## ***Voiture Activities***

The end of our calendar year is almost upon us. That means report time is almost here. The Petite Communiqué is available on the National website. I have had the forms available for months. There really is no excuse for not turning in your Voiture Activities report. I would like to have them by the 15<sup>th</sup> of May if at all

possible. Don't forget, the Local report is the one you fill out, the Grand Report is the one I send to National on behalf of Grand du Florida. Be sure to include the Dames with the Voyageurs for participation but not in the membership total. Directeur National Conrad Hoffman has a terrific article in the January Fortyandeighter magazine. It explains many things and answers most questions about Voiture Activities. As always contact me below for forms or help.

## ***Directeur of Special Awards***

Locale Chef, where is your Special Awards Chairman? If you have none, YOU are he.

It is time to beat the bushes. Every month there are stories about police officers apprehending 'bad guys' and fire fighters rescuing hapless victims. They deserve some appreciation and attention. There is at least one Voyageur in your Locale who has done something special this year. Has a City near you had a Veteran's Day parade, Memorial Service or in some other way paid respect to the military in the past several months?

I promise you, the effort is well worth the small amount of time it takes to work these up. I need the paperwork submitted to me by the first part of May for our June Grand Promenade.

In Service,

## **AMERICANISM**

What a great time we had at the Grand Home Coming and Wreck. Hat's off to the organizers and participants. I would like to recognize the 7 PG's Passé they were wrecked in fine fashion. Now it's up to us to make sure they are invited to get involved and enjoy our great membership/fellowship.

Nag, nag, nag and more nag. It's time to start compiling those annual reports so that they can be submitted before the Grand Promenade. I stand ready to help, just call or send an email.

I'm looking forward to attending Southland Dixie in Athens, Georgia in April. See you all there. Don't forget I can help with Americanism Pins.

## **VAVS-SVH News for April, 2009**

Mary and I returned from the Homecoming and Wreck at Jacksonville. We had a wonderful time, Joe and Paula's were treated great, and the wreck of 6 new P. G.'s was done in a most impressive manner.

Our thanks to all involved. If you missed it, you missed a great wreck and a great get-to-gather.

**VA Foster Home Program:** VA's new medical foster home (MFH) program is helping veterans with home care and assistive devices when they are too old or infirm to live alone. It has been implemented at a number VA facilities and VHA plans to expand their program to 31 more sites. MFH is a unique partnership of adult foster home and Home Based Primary Care (HBPC), or Spinal Cord Injury Home Care (SCI-HC) serving those veterans that are in need of greater care. The program is designed to help veterans when they no longer can live alone. This program has been very successful at VA Medical Centers across the country and is currently implemented in: Bay Pines, FL 727-398-6661 x 2609, Miami, FL 305-575-7000 x 3674, and in Tampa, FL 813-903-3611.

**COBRA Update 02:** Congress has just given a big assist to millions of jobless Americans facing a tough decision: Do they reach into their wallet to continue health insurance coverage with their old employer or not? As part of the economic-stimulus package signed into law this week, the federal government will provide a nine-month subsidy covering 65% of the Cobra premium for people who qualify.

**COLA 2010 Update 03:** The Bureau of Labor Statistics released the January consumer price index (CPI), the metric used to calculate the annual cost of living adjustment (COLA). For the first time this fiscal year, the metric actually increased, at least partially eating away at the 5.0% hole left by months of deflation. Cumulative inflation for FY09 now stands at a -4.5%. The four-month cumulative inflation figure hasn't been this low in the last 40 years. If inflation is negative for the entire year, retirees would see no COLA.

The law doesn't allow a negative COLA for military retired pay, SBP, Social Security, etc.

**FUNERAL HONORS Update 04:** Military Funeral Honors is a no charge entitlement for all

honorable discharged veterans. The Florida Army National Guard Military Funeral Honors program was established in 2003. It has grown to a statewide program that provides more than 300 veterans honors per month. These honors allow a grateful nation to pay tribute to veterans who, in time of war and peace, stood strong in defense of the United States of America. The Florida program has five regional offices and support teams in each location to serve veteran's families seven days a week. They can be contacted at 904-823-0630 Fax: 904-829-1855 Email:

### **Homecoming**

I want to thank the Dames of Cabane 215 and the Voyageurs of Voiture 215 for a wonderful homecoming weekend. I know that it takes a lot of planning and work to get such a large function to run so smoothly. To those who worked in the kitchen and those who served, the food was absolutely fantastic. A special Merci goes to Kelly & Gary Bush for driving me around and for all the extra touches that made the weekend memorable. They saw to it that I had everything I could need or want each time I was at the post.

I truly appreciate all those that were able to take the time to attend this great event and will enjoy the thoughtful gifts that I received. To those who were unable to attend due to health, work, or other commitments, you missed a fine time.

Merci
