continues. Please send your roster of new officers for our locales, especially Chef de Gare and Correspondant locale to Ben Meredith and me so that we can have an up to date roster. **Please do this immediately so that the lines of communication are not broken.** Please get this information in so that we can complete the Roster. Thanks in advance for your help and cooperation.

Some things I noticed while in Crystal River brings this protocol and courtesy to mind. If you are a Grand Directeur and wish to sell pins or other items for your program the way to do that is to contact the Host Voiture and make arrangements for a table at the Post (Voiture) sponsoring the event. Hospitality rooms at wrecks are provided by the host Voiture and as such donations and sale items are for the benefit of their LOCALE programs and remember are put on at the expense of that Locale. If another Voiture Locale or Cabane wishes to sell items for their programs then it is up to the Host whether or not they provide a sale table. Please remember this courtesy when you make plans to attend the upcoming wrecks and avoid any misunderstandings. Thanks.

The Gold Coast Wreck is history for this year. It was V-728's turn and went off well. They are growing and learning. A great time was had by all and John Kaiserian took a pie for Archie and a La Societe program. Six new Voyageurs Militaire joined our ranks and it was good to see Andy Buchta. I would like to get some of the juice that keeps him looking so young. V890 had their chateau all set for us and we were not neglected in any way. Thanks Bob Jones and all especially the Cabane for all their help.

Box Car

A big Merci goes out to all my Sous Directors for their continued effort to sell boxcar crew cards and pins. A special thank you to Carl Scheel. He has

contacted and has received orders from all Voitures of his responsibility. I look forward to seeing you at the Suncoast Wreck in September and will have cards and pins with me.

National Membership Directeur

We had 25 of 41 Voitures turn in Ritual Reports for 39806 Hours, 219583 Miles and \$84340.69 Out of Pocket expenses.

Within the next couple of months following Promenade Nationale, I will have proposed revisions to our Florida Constitution posted somewhere on the web for review. We cannot take any revisions to a vote until our Grande Promenade next June. However, the National Constitution still supersedes any of those conflicting aspects of our 2003 Constitution.

I just returned from Ft. Lauderdale and the Gold Coast Wreck where I was honored to represent the Grand Chef in his absence. I was also honored when the Gold Coast asked me to be the Wrecking Chef.

I've never witnessed so many ritual books opened at a Wreck as my good friends, "the Hit Men", sat in witness shaking their heads in a "non" fashion. Thanks to them I paid out a lot of fines. Of special note were Mayor Dale "Happy the Clown" Lueck and Bob Richards as Mortimer with his

specially made lab coat and his Crystal River glow in the dark Kickapoo Joy Juice. Joe Nolan as Sgt. Younger and Pat Beamer as the Unknown Soldier always bring special meaning to the Third Degree. Also helping from outside the region were Rodney Appleby, Frank Linder and Howard Hoover.

The President of the Wreck, Bob Jones and his wife Mary were the most gracious hosts. I was especially amused when Mary recognized me as "Carol's Husband". We are nothing without the La Femmes. Also hosting were Chef de Gare Locale Bill McIntyre and his wife Pearl. I think Pearl worked harder than Bill did. A big thank you to Bill for using Cool Whip instead of that watery, eye burning glop in aerosol cans. It looks so much better and is so much kinder to the recipient.

One Voyageur told me it was the best Wreck he had ever attended. This was nice to hear and would have been even greater if he hadn't been a P.G. only hours prior to this!

A big merci to the Gold Coast Wreck for helping La Societe du Florida grow with six new Voyageurs. I look forward to seeing more P.G.'s wrecked during the coming year to increase our membership.

Keep up the great work for La Societe.

All the way for La Societe,

John A. Kaiserian

Grand Conducteur

Since the Cripple Creek Wreck the Voiture Locale has received a bill of \$150 for damages to the hotel hospitality room. This is \$150 less that the Voiture has to donate to forty and eight programs.

I am back from vacation in Daytona were I visited George Guglielmo's Post. I missed the Promenade of V-294, but George and Barbara showed Marcy and me a great time. I am looking forward to a great wreck at Avon Park.

Remember that even if Grand officers are

invited to take part in the wreck, it is the responsibility of the Conducteur Locale to run it. He is the one who knows the facilities, people and equipment involved.

POW-MIA

2009 NATIONAL POW/MIA RECOGNITION DAY

September 18, 2009

Support for these missing Americans and their families are deeply felt. America's POW/MIAs should be honored and recognized, rather than memorialized, with the focus on the need to account as fully as possible for those still missing, alive or dead. Strong, united support by the American people is crucial to achieving concrete answers, and now is the time to start planning for this year's ceremonies.

Observances of National POW/MIA Recognition Day are held across the country on military installations, ships at sea, state capitols, schools and veterans' facilities. This observance is one of six days throughout the year that Congress has mandated the flying of the National League of Families' POW/MIA flag. The others are Armed Forces Day, Memorial Day, Flag Day, Independence Day and Veterans Day. The flag is to be flown at major military installations, national cemeteries, all post offices, VA medical facilities, the World War II Memorial, Korean War Veterans Memorial, the Vietnam Veterans Memorial, the official offices of the secretaries of state, defense and veterans affairs, the director of the selective service system and the White House.

The American people can make the difference. Let them know they are truly Not Forgotten.

Voiture Activities

I do not have pins to sell, and unless you have rolling stock and wish to compete at Nationale, there is no money or hours to record. So why is it so difficult to get Voitures to fill out a simple form and bring, mail or e-mail it in to Grand at the end of the year? Now is the time to get out that 2009 form or even a piece of ordinary paper and keep track of your activities.

Directeur of Special Awards

CONGRATULATIONS INVERNESS !

It will be a special event indeed this September at Promenade Nationale in Rochester, New York when the City of Inverness, Florida is given their 2009 Forty and Eight CITY OF THE YEAR award. That will no doubt be a highlight for Grande du Florida. It is indeed a feather in our Chapeaux. I would like to encourage all Florida Voyageurs on the floor at that presentation to stand and make some REAL NOISE when Inverness is introduced. Besides expressing our excitement for Grande du Florida, you will be demonstrating to the Inverness City employees who made the trip to Rochester just how proud we are.

It is not too early to begin finding ward candidates for 2010.

AMERICANISM

By the time you read this the Gold Coast will have had their annual Wreck and hopefully you attended. The Americanism Report for Grand du Florida was forwarded to National and hopefully we will be recognized. Although, I have seen an increase over last year, I know we could have done better if more Voitures would have sent me their reports. Start collecting your data now for the coming year.

Please contact me if I can be of any assistance.

Child Welfare

For those who may not know me, my name is Don Summers. I accepted the position of Grand Child Welfare Directuer at Grand Promenade in June. Time limitations prevented me from getting an article in the July bulletin. For that I apologize. O.K., on to Child Welfare business. If your Voiture has not received 2010 National Child Welfare Pins, or you would like more, contact me and I will get them to you. My address, phone number and e-mail are at the end of this article. If your Voiture signed for pins at Grand Promenade, Please send your check to me, Payable to DON SUMMERS. Please, Please, do not make check payable to Grand as this just causes confusion and delay. (I'm confused enough already), in getting the money to Nationale.

I want to thank Grand Chef Archie for having the confidence in me for this position, and I especially want to thank Harold Ray for recommending me for a position he has held for so

many years, and for the help and guidance he is providing me now. I would be remiss if I did not include Marie Ray for all she has done for our Child Welfare Program. Merci Beaucoup.

VETERAN LEGISLATION STATUS 13 AUG

09: August recess has begun for Congressional members - you will find them in their district offices and/or traveling in their home States. Now is a great time to schedule a meeting and discuss military community goals and key legislation. The August recess runs through Labor Day 3 SEP. The House and Senate will reconvene on 8 SEP. Support of key bills through co sponsorship by other legislators is critical if they are ever going to move through the legislative process for a floor vote to become law. A good indication on that likelihood is the number of cosponsors who have signed onto the bill. Any number of members may cosponsor a bill in the House or Senate. At <http://thomas.loc.gov> you can review a copy of each bill's content, determine its current status, the committee it has been assigned to, and if your legislator is a sponsor or cosponsor of it. To determine what bills, amendments your representative has sponsored, cosponsored, or dropped sponsorship on refer to <http://thomas.loc.gov/bss/d111/sponlst.html>. The **Highlands County Veterans Services Office** (Sebring) is relocated to 7209 South George Blvd., directly behind the Health Department Building. Contact **Mary Margaret Staik** at (863) 402-6623

Bay Pines VA Medical Center is constructing a new 14,000 sq. ft. Radiation Therapy Center to offer state-of-the-art cancer care for veterans.

The James A. Haley Veterans' Hospital in Tampa has been named as one of the top hospitals in the nation for rehabilitation as reported by U.S. News & World Report. My two visits there impressed me with the care and skills shown by the staff.

Congratulations to the Trauma Center.
